

Store and secure all your media. Accommodates all of today's most popular media including DLT, DLT IV, SDLT and LTO

Features:

- Built to last with all-welded, sturdy furniture-grade sheet metal
- One lock conveniently and securely locks the entire cabinet
- Heavy-duty ball bearing glides provide smooth drawer operation
- 9 user-configurable drawers allow you to store your media to best fit your needs.
- Cabinets can be configured to store multiple types of media within the same unit.
- All drawers are the same size
- Media dividers for drawer configuration are included with the cabinet
- Anti-tip mechanism safely allows only one drawer to be accessed at a time
- Ships fully assembled
